

CRE Dec.15th
SYMPOSIUM
Debate framework

14h00-14h10:

WELCOMING MESSAGE

(by the Presidente Emmanuelle WARGON, Chair of the Commission de Régulation de l'Energie)

14h10-14h20:

INTRODUCTION

(by Agnès Pannier-Runacher, Minister for Energy Transition)

14h20-14h30:

CONFERENCE LAUNCH

(by Pr. Frédéric Gonand, University Paris Dauphine-PSL, former CRE Commissioner)

14h30 -15h30:

FIRST PANEL: “WHOLESALE PRICES”

- Pr. William Hogan, Harvard Kennedy School, Raymond Plank Professor of Global Energy Policy
- Pr. Lucia Visconti, Milan University, Associazione Italiana Economisti dell'Energia
- Pr. Jean-Michel Glachant, Professor at Florence School of Regulation and IAEE President-elect
- Pr. David Newbery, University of Cambridge, Cambridge Energy Policy Research Group
- Pr. Jacques Percebois, Montpellier University, Creden

Moderator: Geraldine Amiel, Partner at FGS Global Paris.

3 SUB-THEMES:

- *Should we “decouple” power markets from natural gas prices?*
- *The short-term price setting on the wholesale market*
- *What about locational marginal pricing?*

15h40-17h00:

SECOND PANEL: “INVESTMENTS”

- Pr. Andreas Löschel, Ruhr-Universität Bochum
- Pr. David Newbery, University of Cambridge, Cambridge Energy Policy Research Group
- Pr. Anna Creti, Paris Dauphine University, Scientific chair of Natural Gas, Climate Economy
- Pr. Lucia Visconti, Milan University, Associazione Italiana Economisti dell'Energia
- Pr. Christian Gollier, Toulouse School of Economics, 2007 and 2013 GIEC reports
- Pr. Peter Hartley, Rice University, Houston – IAEE president

Moderator: Geraldine Amiel, Partner at FGS Global Paris

5 SUB-THEMES:

- *Energy-only markets and investments in decarbonized power production: missing pieces*
- *Long-run market contracts and their design*
- *The so-called “two-market approach” of power market*
- *The European Taxonomy and its possible impact on investments in the power sector*
- *Technological uncertainties and timing of energy transition*

17h10-17h50:

THIRD PANEL: “CONSUMERS”

- Pr. David Newbery, University of Cambridge, Cambridge Energy Policy Research Group
- Pr. Jean-Michel Glachant, Florence School of Regulation
- Pr. Christian Gollier, Toulouse School of Economics, 2007 and 2013 GIEC reports
- Pr. Andreas Löschel, Ruhr-Universität Bochum

Moderator: Geraldine Amiel, Partner at FGS Global Paris

2 SUB-THEMES:

- *Do we need pass-through mechanisms to the residential consumer to avoid volatility ?*
- *Making consumers bearing the cost of energy transition: preserving the industrial sector*

17h50-18h00:

FINAL REMARKS

(by Ivan FAUCHEUX and Valérie PLAGNOL, CRE Commissioners)

18h00-18h20:

KEYNOTE: Emmanuelle WARGON

Chair of the Commission de Régulation de l'Energie
